

List of proposed online courses

The **EURASIA Online courses** (WP 4 Online training courses) – each worth 1.5 ECTS - are developed by the EU partners (all partners are involved). The aim is to provide a self-access type of learning, to serve as a supplement to the respective EURASIA courses in the HEIs in India and China, or to motivate students from these universities to engage with the EU studies area. All courses will be available from a specially developed LMS which is linked to the EURASIA project website and is accessed through individual user names and passwords. **All courses** will be subject to **in-depth peer review** and subsequent **revision**. They fall under one of the five agreed thematic areas.

- **EU Law**

1. Introduction to European Union Law (Sofia University “St. Kliment Ohridski”).

- **The EU itself**

2. History of the European Union (Sofia University “St. Kliment Ohridski”).
3. European Institutions (Jagiellonian University)
4. The EU Political System (Catania University)

- **Cultural issues**

5. European Identity (Jagiellonian University)
